CHECK IN AND MEASURING

At check-in you must present your permanent card, temporary card, or USDAA-issued check-in letter/printout from subscriber account. All dogs without a permanent registration card, a completely signed temporary card, or a check-in letter provided by USDAA/print out of dog info page from subscriber account indicating the dog is permanently carded OR dogs jumping 26" (P22"), must be measured prior to being checked in!! Change of jump heights will be made only when the dog is required to move into a higher category by the judge's measure-in at this event. The handler can decide to run For Exhibition Only in the lower height, but no awards or qualifying scores may be earned and no change in program is permitted.

All dogs must be registered with USDAA (registration has a "U" prefix) in order to compete. You may register online at www.usdaa.com by clicking on General Information, Dog Registration, to obtain a registration number immediately and a measurement card prior to the show. You may also complete and submit the registration form included in this test schedule and submit it with entry for any dog that does not bear a valid USDAA Registration Number.

SPECIAL NOTE FOR TEAM/PVP: The handler of a dog entered in Team/PVP that measures up, must notify the secretary immediately. The dog must jump the higher height in order for the team/pair to be eligible for tournament qualification. Should the change in height make the dog ineligible for the team, the secretary shall make every effort to form complete teams from available dogs. If the dog is unprepared for the higher jump height, it may run FOR EXHIBITION ONLY, but the team/pair shall not be eligible for tournament qualification. Partners may compete in the individual classes for placements, tournament top ten and Lifetime Achievement Award Qs.
