Hello, Exhibitors!

Thank you for entering the July 7-9 USDAA Trial hosted by AgileDogs Agility Training and High Goal Farm. This is your entry confirmation. With your help things will run smoothly and our days will not be long. We hope you will have fun this weekend.

Please note: Please check your individual run information, especially heights, carefully. You have until 6 pm on Wednesday, July 3rd to email Chris Penna chris@agiledogs.net move ups and/or corrections. Any changes made after that will incur a \$5 charge per change.

SOME IMPORTANT NOTES:

Site Details:

There are a few rules that we're asking people to follow so that we can use High Goal Farm for future trials. The pond, barn, livestock, woods, and Cerilli house are off limits to anyone at the trial. Anything else that is roped off is also off limits to anyone at the trial. There is a large field on the side of the agility building for exercising your dogs. Dogs not in the warm up area or in the ring must be leashed at all times. No smoking is allowed in the building. No alcohol or drugs are allowed at the trial site. Please clean up after yourself and your dog(s). There will be garbage receptacles for dog waste, cigarette butts, and any other garbage. Please bring water for your dogs. Crating space is limited, so please conserve space by stacking crates if possible and by using only high occupancy x-pens. Please be considerate of folks who will be crating their dogs in their vehicles by leaving the parking spaces adjacent to the building for them. Thanks in advance for complying with the above requests.

VOLUNTEERS:

All volunteers will get our undying gratitude (because you know we can't host trials without your help!), and will get a \$2 coupon redeemable at a future trial given for each class worked. We will not be posting a workers schedule prior to this trial. Please see Lisa at the trial to volunteer

Please do not worry about conflicts between classes you're working and classes you're running in. All workers will be accommodated. You can move your dog within a class to make sure you have time to concentrate on having a successful run with your 4-footed partner!
